**Live Steamers**, the State of Michigan requires all steamers have a current Michigan State Boiler Certificate to operate their equipment in Michigan. We will have a State Boiler Inspector there July 21 & 22 at 11AM for an inspection and certification, cost is \$75.00. The inspector will first hydro test the boiler, we have a pump, and then you fire your boiler and he verifies it's safe operations.

The event will be held rain or shine with no rain date. No refunds will be offered as the fees are applied to marketing and advertising efforts which occur before the event takes place.
