

Please stay seated while the train is in motion.

Face forward at all times.

Do not take pictures, use a video camera or cell phone while on the train.

Keep your hands and feet inside the train at all times.

Don't lean or rock the cars.

*It could de-rail the train.*

Don't reach out for anything along the track.

*If someone does, the train will be stopped.*

Adults, please pay attention to your children as well as any near you.

*A good verbal warning is better than a potentially injured child.*

Please wait for the train to come to a complete stop, the engineer will let you know when it is safe to de-train.

**SAFETY FIRST!**

**Always**
